Audi A5

The Audi A5 coupé is an inspired design that translates to pure excitement the instant your foot hits the pedal. It comes equipped with a 2.0-litre TFSI® I-4 engine that delivers 220 hp and an impressive 258 lb-ft of torque. Its unique combination of FSI® technology, turbocharging, and a 4-cylinder engine delivers remarkable efficiency, while you stay confident and firmly in control of the road with quattro® permanent all-wheel drive.

Extraordinary attention to detail sets the A5 apart from the pack. Its distinctive appearance is enhanced with remarkable LED lights that are as energy efficient as they are bright.

Form and function have never been so closely integrated than with the Audi A5. Every interior aspect has been carefully considered; even the aluminum trim has been seamlessly incorporated into the cabin. The Multi-Media Interface (MMI®), provides intuitive centralized control of all vehicle systems, while adjustable cooling seats and head-level heating in the A5 cabriolet takes your driving experience to new levels of comfort.

The ultimate sport expression of the Audi A5 is immortalized with the upgraded S line Sport Select package featuring the distinctive S line exterior and door sills. The performance-oriented styling is carried through the interior with a flat-bottom steering wheel and sport seats, while 19" 10-spoke design alloy wheels add sophisticated style to the performance tires outside.

Audi S5

With its powerful 3.0-litre TFSI® that roars to 333 hp, the Audi S5 is a coupé to be admired, whether you're in the cockpit or on the sidelines. Power that's both effective and efficient can take it from 0 to 100 km/h in an impressive 5.1 seconds.[2] And with Audi Drive Select with quattro® Sport Differential, performance is sportier and more agile, making the S5 a highly athletic contender in any environment.

The Audi S5 cabriolet is an open-top sensation. And with a 3.0-litre TFSI 333-hp engine under the hood, it's just waiting to be driven. Fine nappa leather seating, a power driver's seat with memory function, and 3-zone climate control ensure the utmost comfort and pleasure throughout. The Multi-Media Interface (MMI®) provides intuitive centralized control of all vehicle systems. A true beauty to behold, this luxurious, powerful vehicle intensifies even the shortest journey. Put the top down. It's time to feel and hear the road like never before.

Audi RS 5

New to the lineup is the long-awaited, highly anticipated RS 5 cabriolet. The refined, aggressive exterior with a retractable acoustic roof is seamlessly balanced by unbridled power and unprecedented sports car handling. It's propelled by a 4.2-litre V8 engine, delivering an impressive 450 hp at 8,250 rpm that can take you from 0 to 100 km/h in 5.1 seconds, with a top track speed of 280 km/h.[8] Add in the stunningly fast 7-speed S tronic® transmission, Audi Drive Select with quattro® Sport Differential, dynamic steering, and optional ceramic brakes, and it's clear the RS 5 cabriolet isn't just a head turner, but a total game changer.

Package contents

S line Sport Select Package[1]
- 19" 10-spoke design wheels with performance tires: 255/35
- S line exterior
- Flat-bottom 3-spoke multi-function steering wheel with shift paddles
- Sport seats with leather seating surfaces
- Brushed aluminum inlay
- Black interior headliner
- S line door sills
- Adaptive damping suspension
- Audi Drive Select controls (auto, comfort, dynamic)

Sport Package[1]
- 19" 5-arm Y design wheels with performance tires: 255/35
- Sport suspension

Black Optics Package[1]
- 19" 5-rotor titanium design wheels with performance tires: 255/35
- Black high-gloss package

Audi quattro Sport Differential[2]
- quattro with sport differential
- Audi Drive Select controls (auto, comfort, dynamic)

Rear Comfort Package[1,2]
- Heated rear seats
- Sunshades
- Through load with ski bag

Navigation Package[2]
- HDD navigation system
- Speech dialogue system
- HD radio

S Titanium Package[2]
- Black high-gloss package
- Body colour exterior mirror housing
- Carbon atlas inlay
- 19" 5-rotor titanium design wheels with performance tires: 255/35

Navigation Package with Parking System[3]
- HDD navigation system
- Rear view camera
- Speech dialogue system
- HD radio

RS Titanium Package[3]
- 20" 5-rotor titanium design wheels with performance tires: 275/30
- Black high-gloss package
- Body colour exterior mirror housing
- Carbon sigma design package for engine

Audi A5/S5/RS 5

7. Your Audi vehicle may be equipped with a phone preparation utilizing Bluetooth® interface to enable hands-free functionality (compatible mobile phones sold separately). You will need a Bluetooth®-enabled mobile phone in order to utilize this function. Not all Bluetooth®-enabled mobile phone models are compatible with Audi's phone preparation. Contact your local Audi dealer for the latest listing of compatible phones.

8. Please drive safely and obey all traffic laws, including speed limits.

9. Fuel consumption estimates and figures are based on the Government of Canada's approved criteria and testing methods. Refer to the Government of Canada publication Fuel Consumption Guide (EnerGuide) or Natural Resources Canada's Fuel Consumption Figures website. Actual fuel consumption may vary based on driving conditions, driver habits and vehicle's additional equipment.

10. The Audi Navigation System depends upon signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest or other road system changes are beyond the control of Audi Canada. Complete, detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested Audi Navigation System route. Periodically new mapping data is available. HDD update is required in order to maintain the latest navigation information. Updates are available for purchase from time to time at additional cost. Consult your dealer or call 1-800-FOR-AUDI for details.

11. Audi Side Assist, Audi Pre Sense and all other safety and convenience features are means of assisting the driver only. Drivers must continue to devote their full attention to safe driving. Some features are available as options and may not be available on all models. Airbags are supplemental restraints only and will not deploy under all accident circumstances. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age.

12. Government star ratings are part of the U.S. National Highway Traffic Safety Administration (NHTSA's) New Car Assessment Program (safercar.gov). Crash performance was based on a U.S.-equipped vehicle. Some features on that model may be optional in Canada.

Audi Canada believes the specifications in this brochure to be correct at the time of printing. However, specifications, standard equipment, options, fabrics and colours are subject to change without notice. Audi Canada is not responsible for errors in typography or photography. Some equipment may be unavailable when your vehicle is built. Some vehicles are pictured with options that may be available at extra cost or may not be available on some models. Please ask your dealer for advice concerning current availability of standard and optional equipment and verify that your vehicle will include the equipment you ordered. Vehicles in this brochure are European models shown with optional equipment or accessories that may not be available in Canada. Tires are supplied and warranted by their manufacturer. Your vehicle is sold equipped with all-season tires. However, please remember the use of winter tires may be mandatory in your province or territory. Make sure your vehicle is equipped with the proper tires at all times. Tires supplied by various manufacturers. See your dealer for complete details on the limited warranty, the Audi 24-hour Roadside Assistance (provided by Sykes Assistance Services Corporation), or the 12-year limited warranty against corrosion perforation. Certain conditions apply; please see your dealer for details.
