

 HYUNDAI™

ALL-NEW 2012 ACCENT

ALL-NEW 2012

ACCENT

A small wonder.

Purchasing a small car is no longer about making compromises. With the all-new 2012 Accent you get more space, style and safety, while still getting best-in-class fuel-efficiency* (Gasoline engines only).

Best of all, driving an Accent is fun. Take one look and it's clear a lot of care went into styling. Everything from the hexagonal grille to strong wheel arches have been completely redesigned to give the Accent a modern look while still keeping true to its fun-loving spirit.

It's time you got everything you've asked in a small, sporty package. With Accent, you get it.

SPORTING GOOD LOOKS.

The Accent's emphasis on aerodynamics is based on Hyundai's fluidic sculpture design principles. Even at rest, the Accent is a marvel to look at. Its dynamic lines with deep grooves create a sporty profile. Strong, defining wheel arches, and a distinctive hexagonal grille makes it look like it's moving even while standing still.

SO FAR ON SO LITTLE.

The primary measure of a small car is fuel consumption, and the Hyundai Accent not only excels, it leads.[^]

With superior Gasoline Direct Injection (GDI) engine technology, a first for its category, the Accent is able to precisely control the injection of fuel and delivers an impressive 138 horsepower, 123 lb-ft of torque and best-in-class 4.8L/100 km (AT) highway fuel economy[^] (Gasoline engines only).

If it can make you go further, we've incorporated it: An offset crankshaft design, an electronic throttle control, and even low-rolling resistance silica tires that reduce friction with the road. It all adds up to greater fuel efficiency.

A photograph showing the interior of a car from a driver's perspective. The front and rear seats are upholstered in a light-colored, textured material. Four large, white, circular airbags are deployed from the front seats and the center console area. The dashboard and center console are visible in the background.

SMALL CAR WITH BIG CAR SAFETY.

What others believe are premium safety features, we believe should be standard. Safety is not a luxury, but a necessity. Every Accent comes standard with six airbags,¹ Vehicle Stability Management (VSM), Electronic Stability Control (ESC), Traction Control System (TCS),² and front active head restraints.

One of the most important aspects of safety is preventive and that's why so much research has been put into our class-leading braking technology. The Accent is the only car in its class to offer four-wheel disc brakes as standard (sub-compact class). Also standard is Anti-lock braking with Electronic Brake Force Distribution (EBD) and Brake Assist. EBD recalibrates the braking force between front and rear wheels to maximize stopping ability, and Brake Assist ensures that maximum braking force is applied when you need it most.

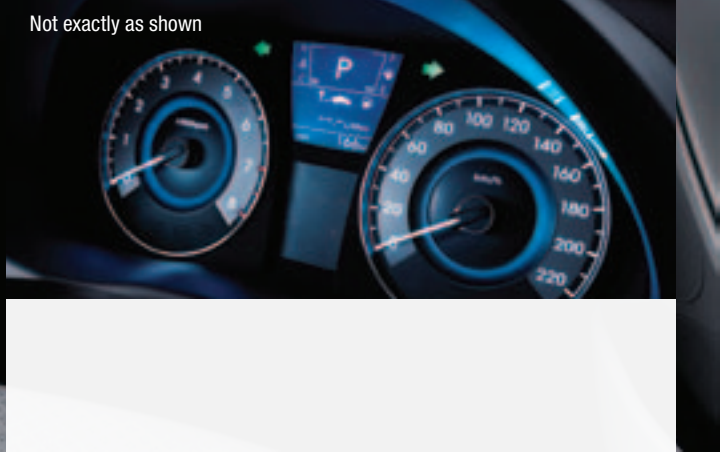

Not exactly as shown

A CAR THAT OPENS UP.

The 2012 Accent provides so much space in its sub-compact category that it's actually classified as a compact car by Natural Resources Canada. It does so not by dramatically increasing its exterior dimensions, but by creatively maximizing its interior. There is more interior space in the Accent for the driver, passengers and cargo than seems possible. That means more space for you, family, friends, and all your stuff.

Not exactly as shown

ALL-NEW 2012 ACCENT

Computer trip system. An onboard computer gives you useful driving information such as journey time and distance to empty. It's also where you'll find the ECO Drive indicator that helps you drive in a more fuel-efficient, economical way.

4-Wheel Disc Brake. 4-wheel disc brakes add that extra level of safety by using the back wheels as well as the front to make for faster, effective stops.

Power Sunroof. Add a wide open swath of sky to your driving experience with an available power tilt-and-slide, once-touch glass sunroof.

Bluetooth® Hands Free Phone System. Staying in touch means being able to talk to friends and colleagues whenever you want. With available Bluetooth® hands free functionality, you can make and receive phone calls hands free through the car's stereo system, keeping things safe and convenient.

iPod® Connectivity! Thanks to available USB connectivity you can plug in an iPod® and control your favourite tunes through the factory audio system while simultaneously charging your player or connect your MP3 player or other compatible devices through the standard auxiliary input.

16" Alloy Rims. The all-new Accent comes standard with 14-inch steel wheels and attractive wheel covers. For a sportier look, 16-inch alloys are standard equipment on the GLS.

Mirror-Mounted Turn Signal. With large side-view mirrors, the Accent offers drivers a wide view of rear and side-rear traffic for added safety, while available side repeater lights alert other drivers to your intentions when turning or changing lanes.

ELEVATE YOUR RIDE.

From stylish exterior to hi-tech interior, it's the details of the new Accent that draw the attention. To say nothing of the available eight beautiful exterior finishes, the latest in technological devices inside will let you experience the convenience and pleasure just like you do in everyday life. Let yourself welcome the opportunity to make the new Accent uniquely yours.

Choice of interior colour depends upon exterior colour selection. Due to print production processes, the colours shown throughout this brochure may vary slightly from the actual hue. See your dealer for model applications and to view the Hyundai Colour Selector. Visit hyundaicanada.com or see dealer for details. May not be exactly as shown.

ACCESSORIES

ACCESSORY FRAME. An accessory frame makes it quick and easy to attach hitch-mounted cargo equipment, such as bike and ski racks. Frame not intended for towing.

CARGO NET. A custom-fit cargo net ensures everything you're transporting remains organized and in place by preventing items from sliding around.

ROOF RACKS. This durable, quick-locking roof rack system lets you transport cargo easily, without sacrificing interior room. Remove when not in use.

MUD GUARDS. Custom-fit mud guards keep the dirt and debris of everyday driving where it belongs.

SIDE VISORS. Sleek and sporty, these side visors let you enjoy fresh air even when it's raining.

REMOTE STARTER. Leaving the house on winter mornings doesn't have to be an unpleasant experience. Equip your Hyundai with a remote starter and get on the road in comfort. Complete with factory style remotes this feature is fully integrated with your vehicle alarm system.

RUBBER FLOOR MATS. Protect the interior of your Hyundai from everyday dirt and debris with custom-made floor mats. Remove carpet mats prior to installation.

CARGO TRAY. Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.

PLASTIC HOOD PROTECTOR. Prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

AIR CONDITIONER. Stay cool all summer long with environmentally friendly air conditioning.

L 4DR/5DR
GL 4DR/5DR
GLS 4DR/5DR

4DR L STANDARD EQUIPMENT INCLUDES:

- 1.6L GDI Engine
- 6-speed Manual Transmission
- 14" Steel Wheels with Full Cover
- AM/FM/CD/MP3/iPod® Audio System USB & AUX 3.5mm Input Jack
- Anti-Lock Braking System (ABS) Electronic Brake-force Distribution (EBD) and Brake Assist (BA)
- Driver & Front Passenger Vanity Mirror
- Driver's Seat Height Adjustment
- Driver's Seat Armrest
- Dual Front Airbags¹: Front Seat-mounted Side Impact and Roof-mounted Side Curtain Airbags
- Eco Shift Indicator (M/T only)
- Electronic Stability Control System (ESC) with Traction Control System (TCS) and Vehicle Stability Management (VSM)²
- Front & Rear Disc Brakes
- Front Active Headrests
- Power Door Locks
- Trip Computer
- Optional: 6-speed Automatic Transmission with ECO Indicator

4DR GL INCLUDES STANDARD 4DR L EQUIPMENT PLUS:

- 60/40 Folding Rear Seats
- Cloth Interior Door Trim
- Deluxe Centre Console with Armrest
- Keyless Entry with Panic Alarm
- Manual Air Conditioning
- Power Heated Exterior Mirrors
- Power Windows w/ Driver's Side Auto-down
- Steering Wheel Audio Controls
- Steering Wheel Mounted Cruise Control
- Sunglass Holder
- Optional: 6-speed Automatic Transmission with ECO Indicator

4DR GLS INCLUDES STANDARD 4DR GL EQUIPMENT PLUS:

- 6-Speed Automatic Transmission with ECO Indicator
- 16" Alloy Wheels
- AM/FM/XM®/CD/MP3/USB/iPod® Audio System with Voice-Activated Bluetooth®
- Bluetooth® Hands Free Phone System
- Chrome-coated Interior Door Handles and Parking Brake Button
- Fog Lamps
- Front Seat Warmers
- Leather-wrapped Steering Wheel and Gear Shift Knob
- Mirror-mounted Turn Signals
- Power Sliding Sunroof

5DR L STANDARD EQUIPMENT INCLUDES:

- 1.6L GDI Engine
- 6-speed Manual Transmission
- 14" Steel Wheels with Full Cover
- AM/FM/CD/MP3 Audio System USB & AUX 3.5mm Input Jack
- Anti-Lock Braking System (ABS) Electronic Brake-force Distribution (EBD) and Brake Assist (BA)
- Cargo Covering Shelf
- Driver & Front Passenger Vanity Mirror
- Driver's Seat Height Adjustment
- Driver's Seat Armrest
- Dual Front Airbags¹: Front Seat-mounted Side Impact and Roof-mounted Side Curtain Airbags
- Eco Shift Indicator (M/T only)
- Electronic Stability Control System (ESC) with Traction Control System (TCS) and Vehicle Stability Management (VSM)²
- Folding Rear Seat (60/40)
- Front & Rear Disc Brakes
- Front Active Headrests
- Power Door Locks
- Rear Wiper
- Roof Spoiler with Brake Light
- Trip Computer
- Optional: 6-speed Automatic Transmission with ECO Indicator

5DR GL INCLUDES STANDARD 5DR L EQUIPMENT PLUS:

- Cloth Interior Door trim
- Deluxe Centre Console with Armrest
- Keyless Entry with Panic Alarm
- Manual Air Conditioning
- Power Heated Exterior Mirrors
- Power Windows with Driver's Side Auto-down
- Steering Wheel Audio Controls
- Steering Wheel Mounted Cruise Control
- Sunglass Holder
- Optional: 6-speed Automatic Transmission with ECO Indicator

5DR GLS INCLUDES STANDARD 5DR GL EQUIPMENT PLUS:
